

1. Easter with the Children of Clachan Primary School.

On Maundy Thursday the Session Clerk, Mrs Elizabeth Ball had the pleasure of meeting with the children of Clachan and Achnaoish primary schools on Google Schools to talk about the Easter story. It was lovely to see the children and school staff all looking so well and to hear how they were all getting on. Following the meeting the staff of Clachan Primary handed out Tradecraft Easter eggs, donated by Kilcalmonell Church congregation, to pupils and young primary age children in the parish. Mrs Ball, on behalf of the church, has received many messages of grateful thanks from the children for the eggs. (Photos attached)

2. Rev Archie Lamont - Late Minister Kilcalmonell & Skipness

It was with much sadness that we learned of the death of our past minister, Rev Archibald (Archie) Lamont. Rev Lamont was inducted as Minister of Kilcalmonell and Skipness in September 1971 and was in post until retiring in September 1992. He has left lasting happy memories for many folk in the parish, and in our church building, his artistry is still seen in the Dove of Peace he painted in the ceiling above the pulpit & in the beautiful handwritten script in entries in our Cradle Rolls.

Rev Lamont and his late wife Catherine were much loved members of our community. Our sincere condolences go to his family at this sad time. A donation in his memory has been made to the Multiple Sclerosis Society. Private donations can be made on their website, www.nationalmssociety.org/Donate.
